A Responsive Web Design

Shades of Burgundy ***

To create a lasting impression, different shades of Jess's favorite color were used across all pages to really sell the brand color.

Left to right:

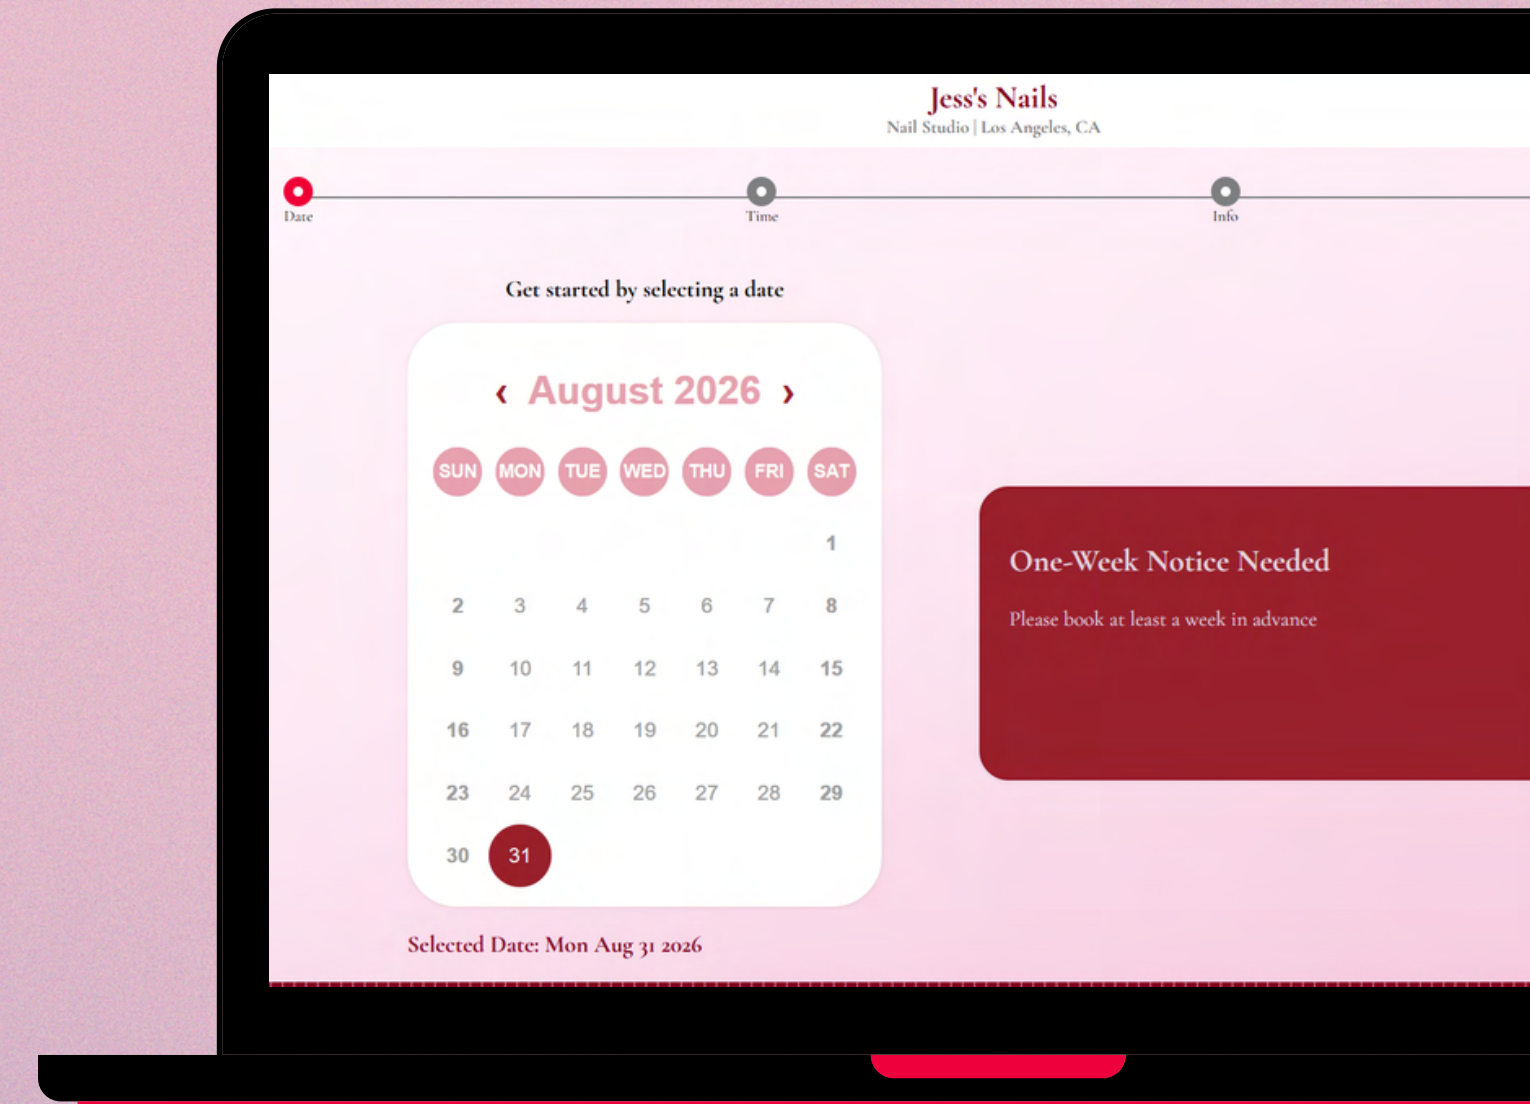

- Rich Mahogany,
- Burgundy,
- Lipstick Red,
- Cherry Blossom,
- Soft Blush

A Cutting Edge Booking App

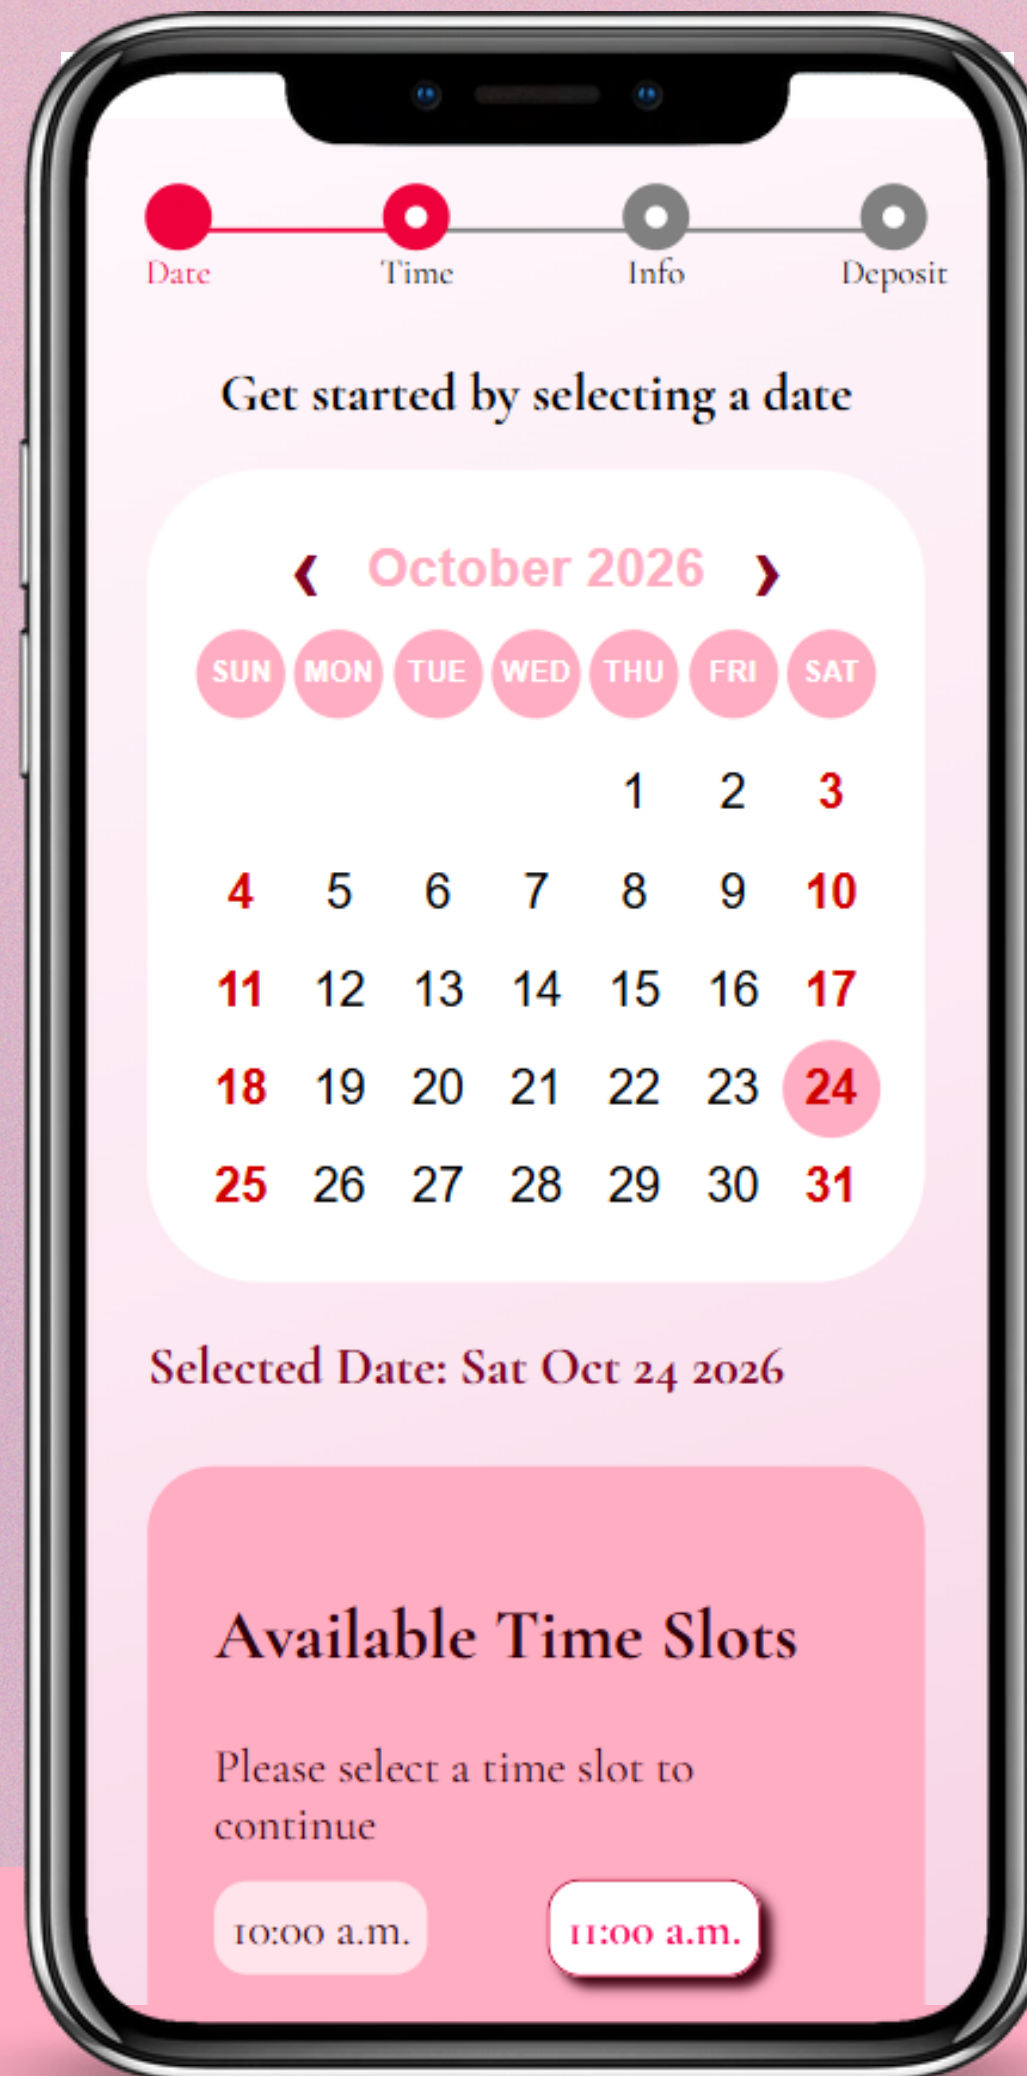

This booking page allows users across the nation to reserve a spot for their next nail appointment with Jess.

Meticulous engineering with rigorous testing applied to accommodate Jess's schedule and ensure no overlapped bookings

Easy To Navigate

Progress bar at the top allows users to stay on track with their booking process
